SUMMARY

Enthusiastic Front-End Developer with 1 year of experience creating seamless and visually appealing web applications. Proficient in HTML, CSS, JavaScript, and working with modern frameworks such as Node.js and Express.js. Adept at translating design mockups into responsive and intuitive user interfaces, optimizing website performance, and ensuring cross-browser compatibility. Strong collaboration and problem-solving skills with a keen eye for detail. Committed to staying updated with the latest web development trends and delivering high-quality, user-centric solutions for clients and stakeholders.

EXPERIENCE

Freelance Writer   April 2019 to August 2020

- Produced engaging and high-quality written content for diverse clients, including articles, blog posts, web copy, and social media content, consistently meeting or exceeding client expectations.
- Conducted comprehensive research on various topics, ensuring accuracy and credibility of content, and incorporating relevant data and statistics.
- Successfully managed multiple projects with strict deadlines, demonstrating strong time management and organizational skills to consistently deliver on time.
- Implemented SEO best practices to optimize content for search engines, resulting in improved organic search rankings and increased online visibility for clients.
- Actively promoted freelance writing services through personal website and social media platforms, leading to increased visibility and client inquiries.
- Developed and pitched creative content ideas to clients and publications, showcasing a deep understanding of target audiences and industry trends.

Freelance Front-end   December 2019 to August 2020

- Proficient in HTML, CSS, and JavaScript, with hands-on experience in building responsive and visually appealing web applications.
- Ensured cross-browser compatibility and responsiveness, delivering seamless user experiences across various devices and browsers.
- Translated design mockups and wireframes into user-friendly and intuitive interfaces, focusing on enhancing user engagement and satisfaction.
- Designed and developed websites with a mobile-first approach, ensuring seamless experiences on smartphones, tablets, and desktops.
- Actively promoted freelance services through personal website and social media platforms, leading to increased visibility and client inquiries.
- Developed and pitched creative content ideas to clients and publications, showcasing a deep understanding of target audiences and industry trends.
